

LINEFLOOD RGB

Technical Details

- Stylish & robust design
- Powered by Seoul Semi LEDs
- Ideal for wall-washing
- Unique tilting bracket
- Weatherproof options

The Lineflood RGB is a linear light unit designed for indoor or outdoor use.

Available with 18 or 36 high powered Luxeon Rebel LEDs in a wide variety of single colours.

This unit can be mounted to walls, floors or ceilings using a unique bracketing system that offers a tilt or a fixed locking function.

The Lineflood RGB is available in IP67 option for outdoor applications.
